## ARREST MARTIN

A Warrant Issued for the Sen-  
ator's Arrest

On the Charge of Criminal  
Libel

ON ACERS COMPLAINT.

Martin Accused Him of Being a  
Gambler.

Martin Says the Move Will Help  
Populists.

United States Senator John Martin  
was this afternoon informed that a war-  
rant had been issued for his arrest for  
criminal libel on complaint of Nelson F.  
Acers and that he would be served with  
a copy of the warrant either this even-  
ing or early tomorrow morning.

The complaint sworn to by Acers was  
made before the county attorney of Al-  
len county at Iola, and according to the  
arranged programme an officer was to  
have left Iola with the warrant at noon  
today.

If this officer makes the proper train  
connections he will reach Topeka at 6:45  
o'clock this evening.

It is understood that in the complaint  
Acers charges that when in an interview  
published a week ago Senator Martin  
charged him with being a gambler, he  
uttered a libel.

Senator Martin said to a STATE JOUR-  
NAL reporter this afternoon: "Yes, I  
know all about the affair. It is all right,  
and of course I will be here when the  
officer arrives."

"What will the effect be?"  
"The effect will be all right."

"Will it make some Democratic votes  
for Lewelling?"  
"It can't result any other way. Every  
Democrat in the state will understand  
what it means," and the senator smiled  
as he repeated: "It will be all right. It  
can't result any other way."

## THEY CAN REGISTER.

The Election Supervisors Reconsider  
Their Former Action in the Walker Case.

The Topeka board of election super-  
visors met this morning in the office of  
the commissioner of elections to com-  
plete their work of hearing those who  
were refused registration.

The board reconsidered its action of  
Saturday in refusing registration to the  
Walker brothers, colored, who were re-  
fused registration because they had  
stated that their home is in Council  
Grove. They both swore they now in-  
tended to make Topeka their home.

The board also decided that A. R. Jes-  
ter was entitled to registration, and he  
was accordingly given a certificate. He  
is ex-city jailor, and spent nearly a year  
in Colorado, but did not vote there.

The case of Ned See, the old colored  
man, is the only one of the appeals taken  
which has not been reversed by the  
board.

## COLD AND DAMP

Are the Adjectives Describing the Weather  
of Yesterday and Today.

Sunday and today have been extreme-  
ly disagreeable. Yesterday was cold  
and cloudy and today is more so with  
light showers. Tomorrow is liable to be  
clear but still cooler. The ther-  
mometer dropped to 40 last  
night and today is between  
50 and 55. The rain that has fallen does  
not amount to more than one-tenth of  
an inch. Observer Jennings says this is  
merely a touch of a storm, the center of  
which is in Wisconsin and northern Mich-  
igan.

## POP TICKETS KNOCKED OUT

Popular Tickets in Chicago Must Be Pre-  
sented by Petition.

CHICAGO, Oct. 29.—The board of elec-  
tion commissioners today ruled  
that neither of the rival  
Populist city and county tickets  
were entitled to a place on the official  
ballot. The Populists were informed  
that they must put the names of their  
candidates before the people on petition.

## MURDERERS CAUGHT.

The Men Who Killed the Mayor of Kin-  
sley Are Captured and Confess.

WICHITA, Kan., Oct. 29.—Early this  
morning the sheriffs of Logan, Finney,  
Ford, Gray, Edwards and Lane counties,  
ran down the murderers of the late mayor  
of Kinsley in Logan county, not far from  
Garden City. The men gave the names  
of Harvey and Arnold and admitted their  
guilt.

## TOM REED AT ST. LOUIS.

He Speaks at the Exposition Building  
There Tonight.

St. Louis, Oct. 29.—Thomas B. Reed  
will speak this evening at Grand Music  
hall, at the Exposition building.  
Miss Reed, daughter of the distin-  
guished visitor, together with a number  
of other ladies, will occupy the boxes on  
the right of the stage. Seats sufficient  
to accommodate 600 people have been  
arranged on the stage; and all the local  
Republican leaders are expected to be in  
attendance.

Mr. Reed will speak extemporaneously  
and make his speech more of a free-and-  
easy talk.

## DAVID OVERMYER WAS ILL.

Which Accounts for His Not Speaking in  
North Topeka.

The failure of David Overmyer to  
make his speech as advertised Saturday  
night has caused much comment in  
political circles today.

It was announced at the meeting Sat-  
urday night that Mr. Overmyer was sick  
and not able to appear but his political  
enemies said he had announced that he  
would make some remarks about Senator  
John Martin and some of Martin's friends  
succeeded in keeping him away from the  
meeting.

The facts are, however, that Mr. Over-  
myer was not able to speak. He was  
completely worn out from his hard work  
in the campaign, but he wants to speak  
in Topeka, and has authorized his friends  
to arrange a meeting to be addressed by  
him next Monday night, the night before  
election.

Mr. Overmyer's friends say that in this  
speech he may be expected to score Sen-  
ator Martin and all those against whom  
he has a political grievance.

**Cheap Wheat Increases Pork Packing**  
TACOMA, Wash., Oct. 29.—Official gov-  
ernment statistics just compiled show  
that the low price of wheat has develop-  
ed the pork packing industry in Wash-  
ington, and places the number of hogs  
being fattened on wheat in Whitman  
county alone at 75,000. Only from eight-  
teen to twenty cents per bushel is real-  
ized by the wheat farmers.

## SHE DIED OF MORPHINE.

A Domestic in the Employ of C. K. Holl-  
iday Commits Suicide.

Made despondent by a quarrel with  
her lover, Agnes Shiveley a domestic  
employed in the family of C. K. Holliday  
at Sixth and Monroe streets, committed  
suicide Sunday by taking morphine.  
Miss Shiveley, who was a pretty  
Scotch girl 22 years old, is said to have  
quarrelled with her friend, a private in  
the Topeka Salvation Army, Saturday  
night. The young man told her he had  
ceased to love her, and the girl stated  
that if that were true, she did not care  
to live any longer. The indifferent  
lover paid no attention to the threat.

Miss Shiveley told Mrs. Holliday of her  
quarrel when she returned home.

Sunday morning, the girl instead of  
getting breakfast as usual sent word by  
Charles Holliday's little daughter that  
she was sick and to prepare breakfast,  
and asked if a light lunch might not be  
sent to her room. At about 9 o'clock  
Mrs. Holliday prepared a breakfast for  
the girl and took it to her room. She  
found her in bed, unconscious and  
breathing heavily. An empty bottle  
labeled "Morphine-Poison" told the  
story.

Mrs. Holliday rushed from the room  
and called the other members of the  
family. Dr. Bailey was telephoned for  
and arrived quickly. He found the  
young woman still alive, but manifest-  
ing very little signs of life. By  
means of a salt solution and respiration  
stimulants she was kept alive until  
nearly 6 o'clock in the afternoon, al-  
though she was unconscious all that  
time.

The remains were removed to Knight's  
undertaking establishment, where an in-  
quest was held this morning. The cor-  
oner's jury returned a verdict of suicide  
by means of morphine.

At 10:15 today the remains were sent  
to Carbondale, where the unfortunate  
young woman has a mother and step-  
father living.

Mrs. Cyrus K. Holliday and Mrs. Chas.  
Holliday were seen by a JOURNAL re-  
porter this morning, but they preferred  
to make no statements for publication.  
The affair is unfortunate and decidedly  
unpleasant to them. She left no note or  
other ante-mortem statement to explain  
her suicide, further than her quarrel  
with the Salvation Army young man Sat-  
urday night. The name of the young  
man in question is unknown either to the  
coroner or the young lady's friends. At  
the Salvation Army barracks nobody ap-  
peared to know anything about it.

**Death of Alfred G. Bass.**  
Alfred G. Bass, who lived with his  
mother, Mrs. L. G. Bass at 708 Monroe  
street, died at 9 o'clock last night of con-  
sumption. He was a nephew of John R.  
Mulvane and was employed in  
the Bank of Topeka until four  
years ago. Since then his health  
began to fail. When he has spent  
the greater part of his time in Colorado,  
and returned to Topeka some time ago.  
He was 30 years old, and leaves a wife  
and one child—a girl. The funeral will  
be held from the residence at 708 Mon-  
roe street at 3:30 p. m. tomorrow.

## WAITE ON THE LAKE FRONT

Colorado's Governor Addresses 10,000  
People in Chicago.

CHICAGO, Oct. 29.—Governor Davis H.  
Waite of Colorado addressed a large  
crowd at an open-air meeting on the  
Lake Front yesterday, and in the evening  
spoke to a large crowd at Tattersall's  
Pavilion. He reached Chicago Sunday  
morning and was met at the depot by a  
delegation of several hundred Populists  
and a brass band and escorted to the  
Grand Pacific hotel, where held an im-  
promptu reception in the lobby for an  
hour. At 2 o'clock the band headed a  
procession of 300 People's Party men,  
who escorted the governor to the Lake  
Front park. At the Columbus monument  
a crowd of perhaps 10,000 were assem-  
bled.

Colonel Copeland, chairman of the  
county committee, introduced the gov-  
ernor, who was received with the cheers.  
He spoke for half an hour. He assured  
his audience that Colorado was aroused  
and that the Populists held the trump  
hand.

## CANT USE TROOPS.

Can't be Used to Suppress Outlaws in In-  
dian Territory as Matters Stand.

WASHINGTON, D. C., Oct. 29.—It has  
been determined that no troops can be  
used to suppress the lawless bands in the  
Indian Territory unless called upon by  
the courts to assist the United States  
marshals. The request for troops would  
then come through the department of  
justice.

## TO BE NO DIVORCE.

The Vanderbilt Differences Have Been  
Settled, It Is Said.

CHICAGO, Oct. 29.—The Post's New  
York special says: There is to be no di-  
vorce in the Vanderbilt family after all.  
It is announced today that the differ-  
ences between William K. and his wife  
will not be aired for the benefit of the  
world at large and New York society in  
particular, as indicated two months ago.

## Henderson to Talk Here.

An Anti-Lewelling Populist meeting  
will be held at the court house this  
evening. Ben S. Henderson, Cyrus  
Corning and W. H. Bennington will ad-  
dress the meeting.

## LOCAL MENTION.

An old lady, Mrs. Cody, who lives at  
Shorey, was quite badly hurt this after-  
noon by falling from her wagon load of  
apples at Second street and Kansas ave-  
nue. Several of her ribs were broken,  
it is believed, and she was removed to  
her home.

There was a light snow this noon be-  
tween Virginia and Jansen, in Nebraska,  
on the Rock Island, and the weather was  
very much colder than yesterday at all  
points on the Santa Fe and Rock Island  
in Kansas, with slight sleet in the cen-  
tral part of the state.

Joe Rosenthal, who was made famous  
on account of his contest case in the last  
legislature, is in Topeka today. Joe now  
lives in Kansas City and does business as  
a lawyer and expert accountant. He  
says he made a Democratic speech last  
Saturday night in Music hall.
